

“

*The largest floral
gardens in the world*

”

It all begins with a

dream

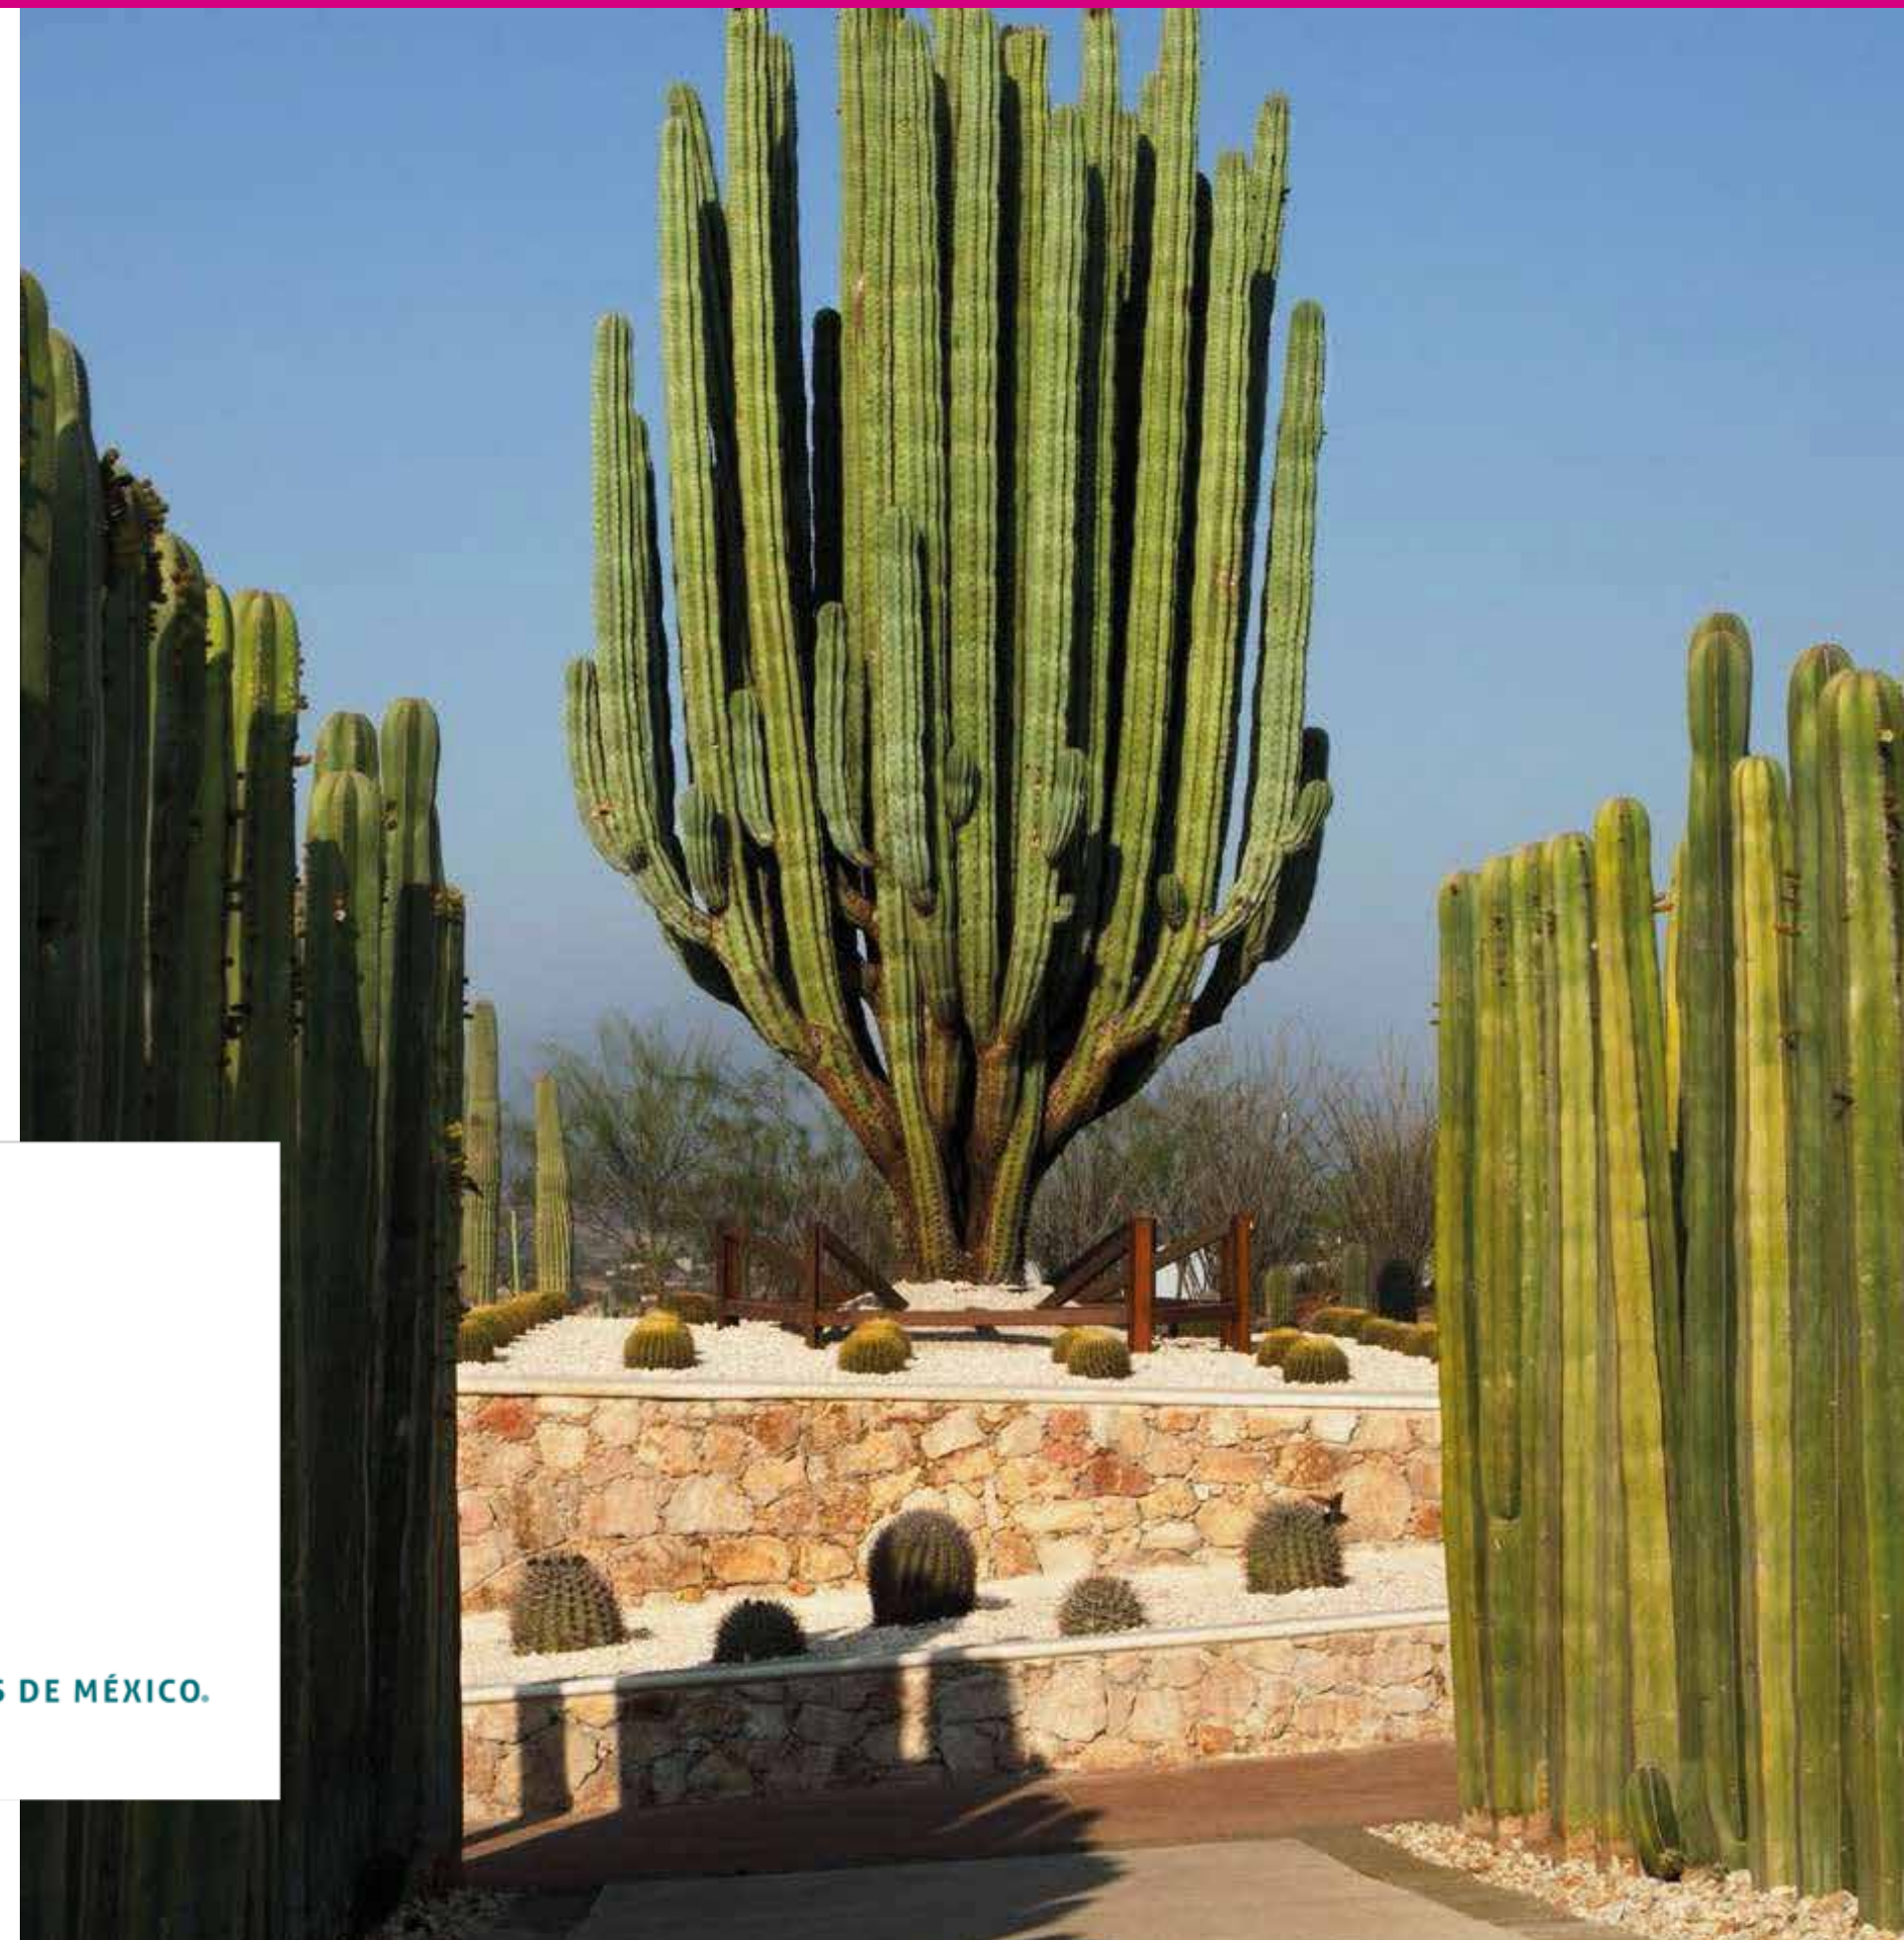

and an overwhelming desire to place Mexico
at the top of the world of tourism.

A theme park where the colors, aroma, and texture of the Mexican and world-wide flora are recreated.

A place that is **100% MEXICAN**

Where the beauty of our gardens and the grand architecture live together in harmony, create a truly magical place. Live the experience of being surrounded by a wide range of flowers and trees of different colors, located in 7 different themed

Jardines de México is an immense project that promotes life and presents Mexico to the World, respecting environmental, economic and social balance.

Our pledge:

1. Promote love and respect for nature through a unique oral beauty sensory experience.
2. Foster a range of actions in favor of sustainability and local economy.
 - ✓ Over 15,000 trees planted.
 - ✓ More than 193 million owners a year
 - ✓ Over 1000 recovered specimens
 - ✓ Reforestation and recovery of canyons
 - ✓ Use of renewable energy
 - ✓ Comprehensive management of solid waste Recovery of the
 - ✓ environmental quality through the reuse of the town's waste water.
3. Surprise our guests with a new form of entertainment and personal development, providing quality, warmth, and detail in every corner of our gardens.

Explore our 7 theme gardens designed
to make your mind wander in nature

MISSION

Create a unique recreational experience through the contact with nature, promoting love and respect for what surrounds us.

VISION

Become a world leader of multidisciplinary experiences with our theme gardens, ensuring sustainability and brand commitment.

ESSENCE

"Dare to Feel"

Generate unforgettable moments that linger in the memory of our guests, inspiring them to feel and love nature through contemplation and recreation in our gardens.

VALUES

Warmth	Fairness
Respect	Inclusion
Love	Quality
Sensibility	Commitment

22 thousand
trees

will be your faithful companion
during your tour in our gardens.

65 million
flowers

to enjoy and endless spring.

7 monumental
gardens

filled with unexpected details
that will surprise you.

Italian Sytle
Garden

Garden

Labyrinth
of Senses

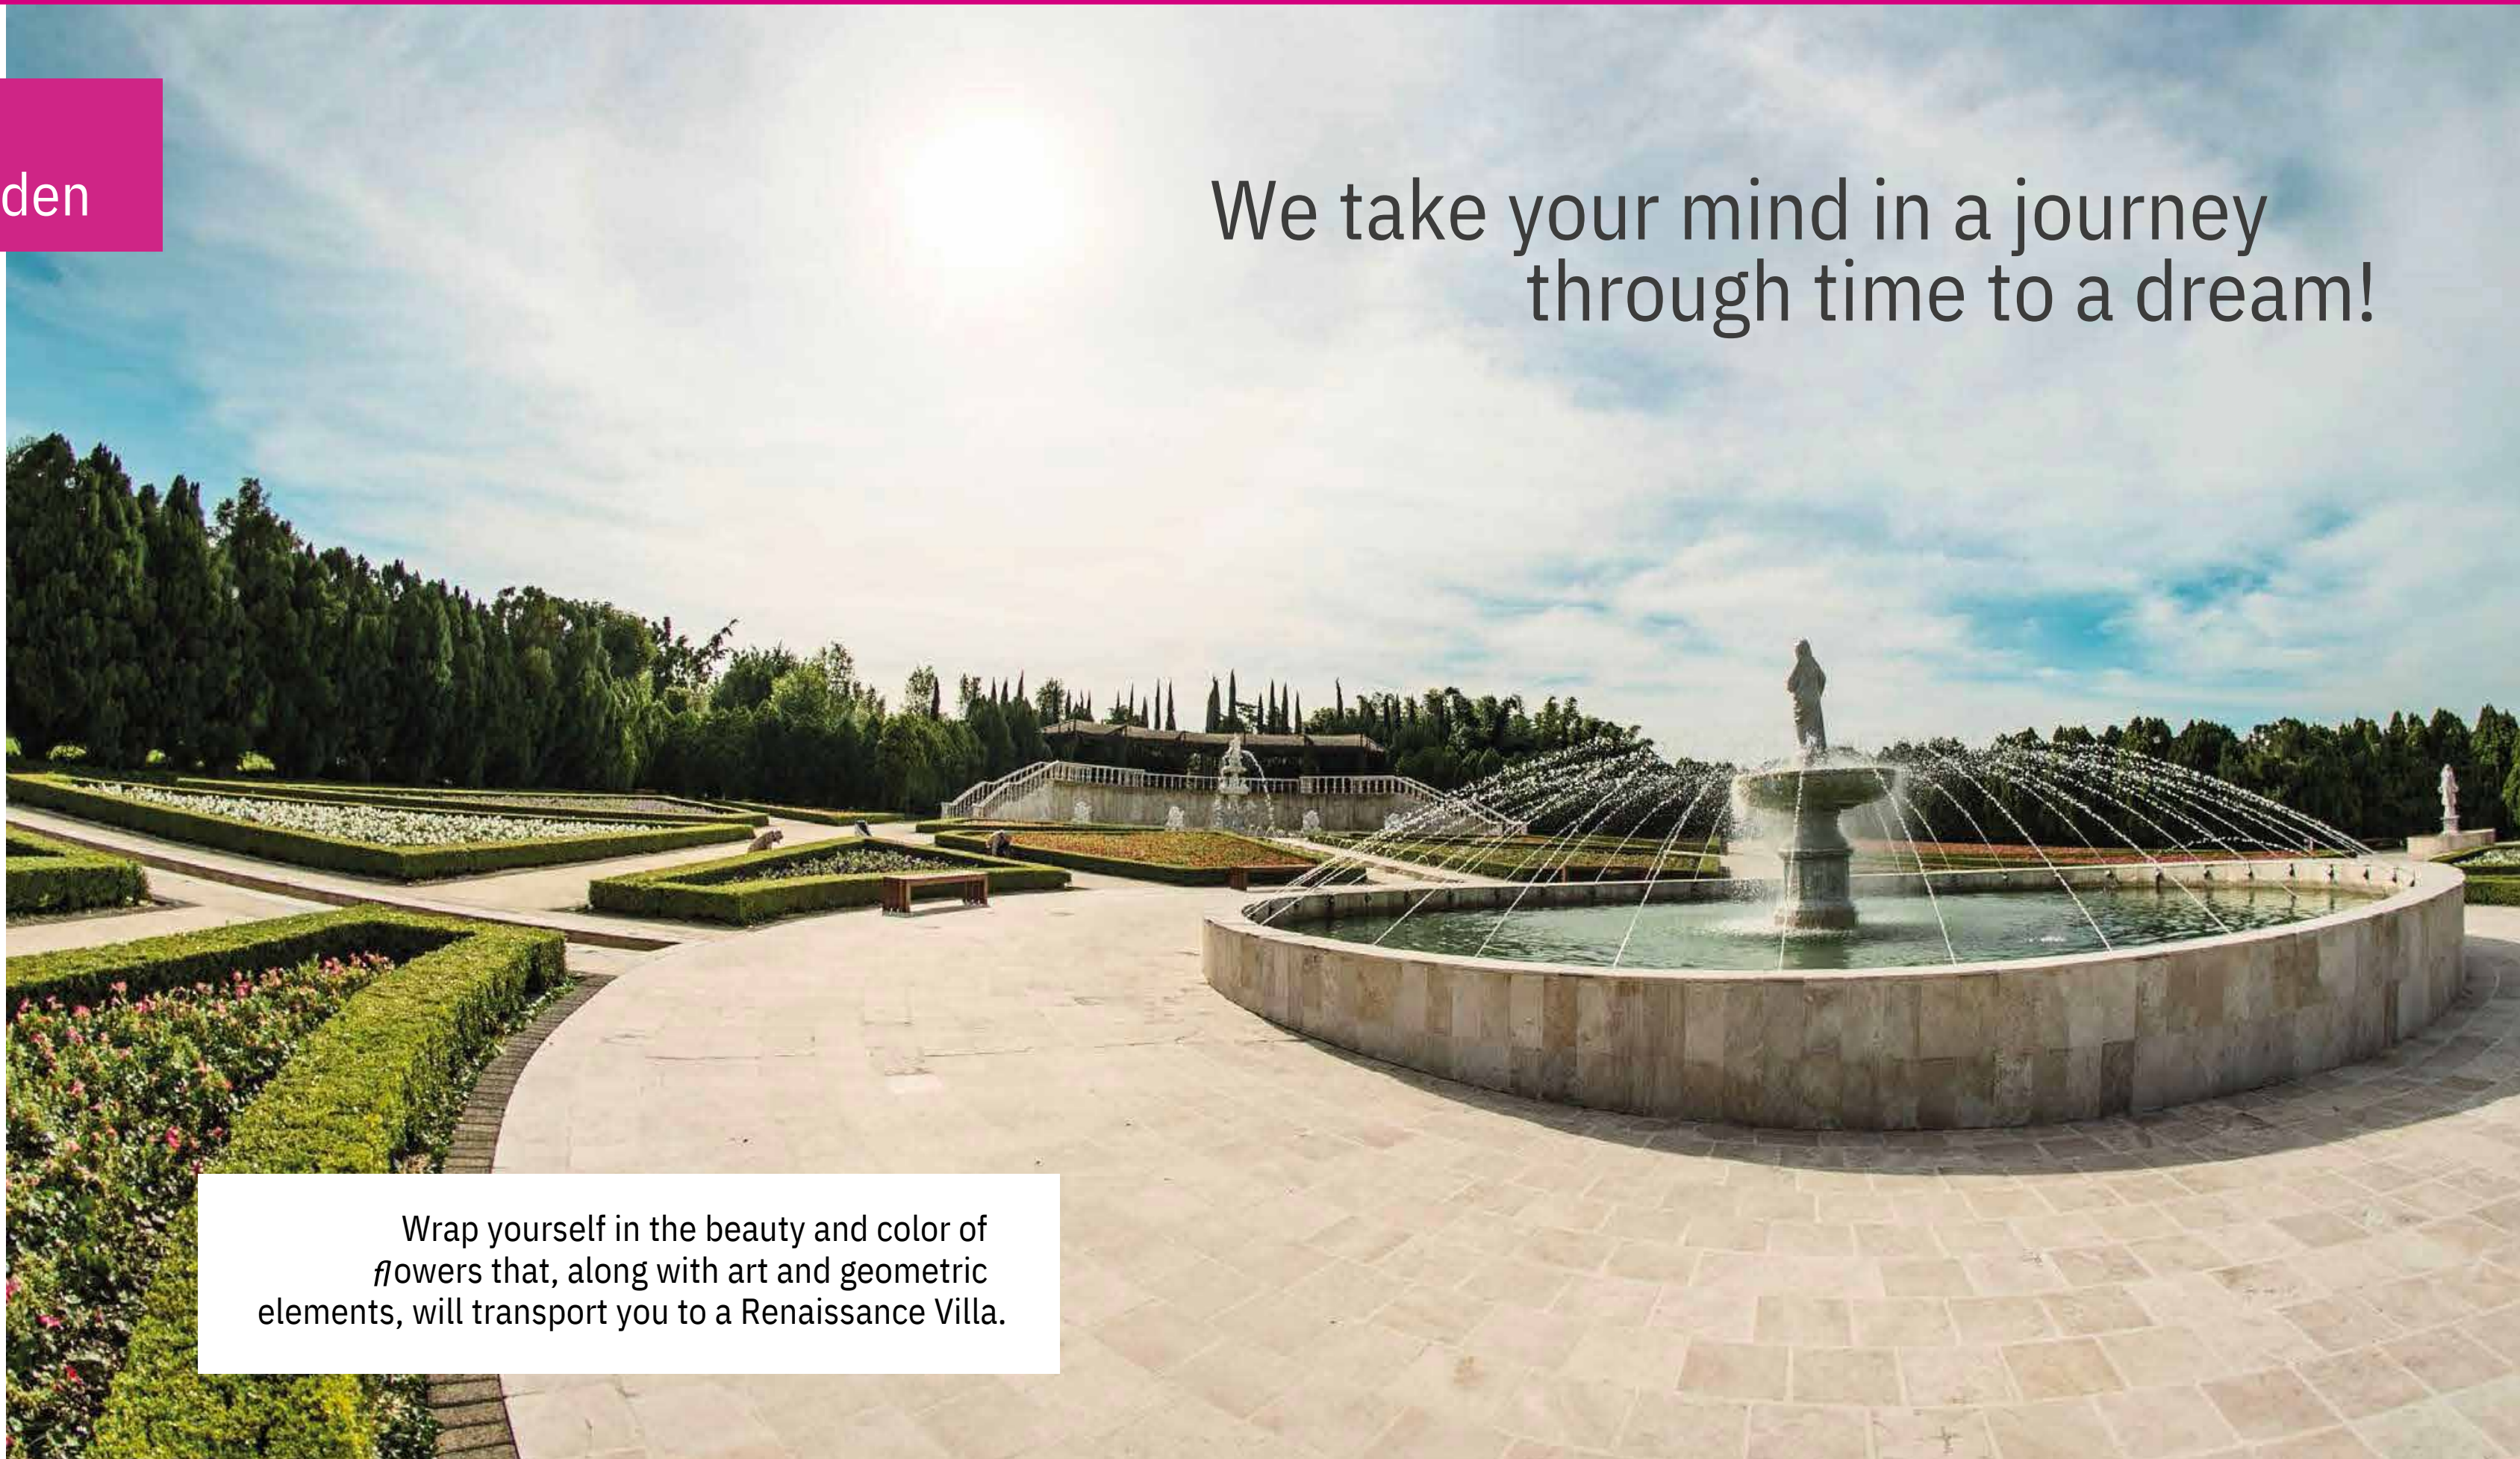

ConSentidos

Italian Style Garden

We take your mind in a journey
through time to a dream!

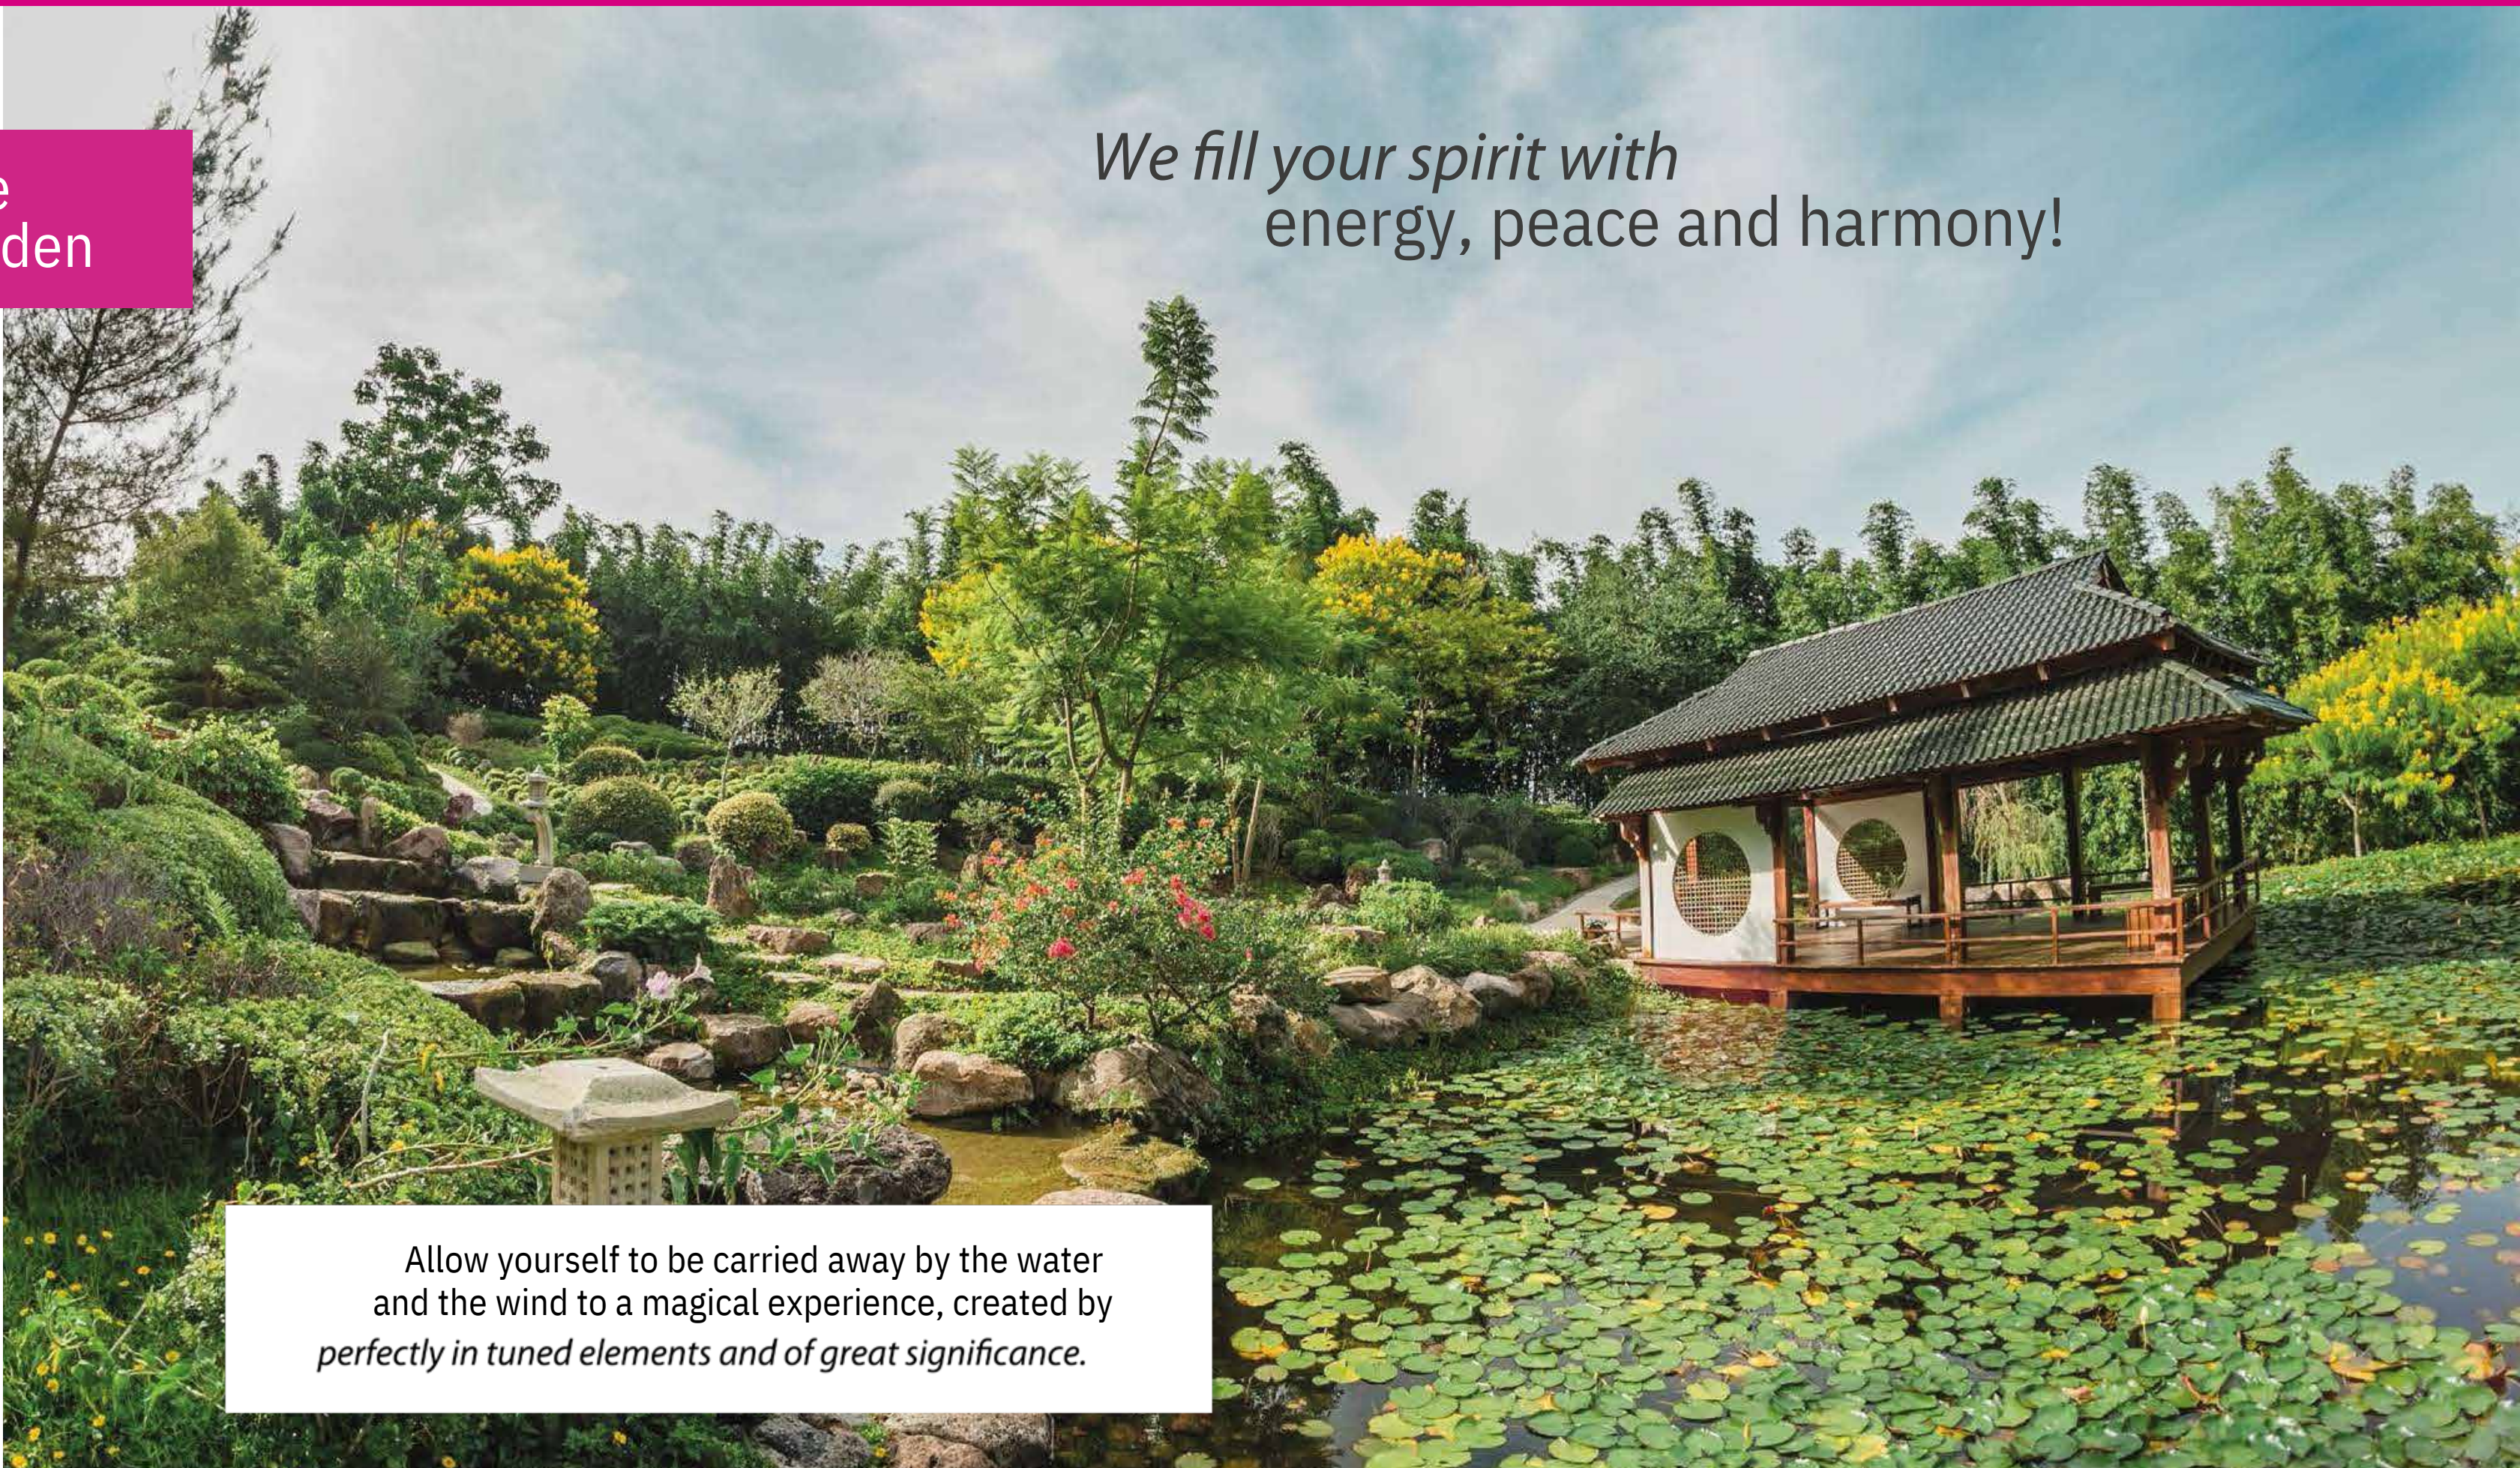

Wrap yourself in the beauty and color of
flowers that, along with art and geometric
elements, will transport you to a Renaissance Villa.

Japanese Style Garden

*We fill your spirit with
energy, peace and harmony!*

Allow yourself to be carried away by the water
and the wind to a magical experience, created by
perfectly in tuned elements and of great significance.

Tropical Garden

We make your senses
fall in love in a magical place!

*Discover exotic aromas and shapes in a fresh tropical jungle.
You will be surrounded by beautiful flowers, waterfalls and
prehistoric plants.*

Cactus Garden

We love the richness
of mexican culture!

With over 200 species that represent our roots and heritage.
Creating a naturally magical space.

Four Springs Garden

Our heart beats owners of different shapes and colors all year-round!

Over a thousand varieties of flowers make up the different designs in this garden. The magic of spring is always present in this space.

Labyrinth of the Senses

We connect your senses to
discover a fascinating place!

Surprise yourself while going through the green tunnels and finding how nature joins art. Open your senses and dare to live an experience full of surprises.

ConSentidos

Inspiring the young to love nature!

A space where children (and children at heart), can play and learn about the environment and nature. Magically fun and packed with adventure.

*“ We also offer other spaces that will
make your visit unforgettable. ”*

Over **1.2M** guests
More that **390,000**
people attending concerts

\$420 million MXN
invested in shows

- + 30 concerts
- + 18 festivals
- + 30 art exhibits
- +100 weddings
- +350 company events
- +500 social events
